- 20.

Standing Committees are permanent committees established by Council that shall continue to remain in force until otherwise directed by Council through a resolution. Ad Hoc Committees are of limited duration and are dissolved automatically upon submitting a final report to Council, unless otherwise directed by Council. Other Committees may be established by Council if deemed to be in the best interest of the Municipality.
 - i. Indemnification:

The Municipality of the County of Colchester agrees to indemnify, protect and save harmless any volunteer acting on a municipal committee (the "Volunteer") from and against any damages, losses, costs, expenses, demands, claims, actions, proceedings or liabilities (collectively,

“Liability”) that may be suffered by, imposed upon, or asserted against the Volunteer as a result of, in respect of, connected with or arising out of the presence of the Volunteer on such committee.

The foregoing indemnity shall not apply in the event and to the extent that the Volunteer was acting with willful, reckless or criminal misconduct or gross negligence, was acting in bad faith, and/or was acting outside the scope of his or her duties or authorities as a volunteer on such committee at the time any such liability arose.

- ii. Citizen representatives appointed to Committees of Council may be reimbursed for kilometrage at a rate equal to the current Provincially prescribed amount for travel on behalf of and authorized by the Committee to which they are appointed, including actual distance travelled from and to their principal residence for each meeting of the Committee. Claims must be submitted to and approved by the CAO or designate for reimbursement.
- b. Council hereby establishes eleven (11) Standing Committees of Council to be known as:
- i. Council Committee;
 - ii. Executive Committee;
 - iii. Audit Committee;
 - iv. Planning Advisory Committee;
 - v. Nominating Committee;
 - vi. Tatamagouche Water Utility Committee;
 - vii. Dangerous and Unsightly Premises Committee;
 - viii. Flood Advisory Committee;
 - ix. French River (Tatamagouche) Source Water Protection Advisory Committee;
 - x. Debert Source Water Protection Advisory Committee; and,
 - xi. Debert Business Park Advisory Committee.
- c. Other Standing Committees as established through by-laws include:
- i. Sewer Use Appeals Committee (Sewer Use By-Law)
 - ii. Livestock Control Appeals Committee (Livestock Control By-Law)
- d. Ad-Hoc Committees consisting of at least three (3) members of Council may be appointed from time to time for the purpose of inquiry into and report upon any matter referred to such Committee.
- e. Other Committees, including inter-municipal committees, may be formed with the appropriate number of Council members appointed as needed.

- f. The term of office for members of Council on all Committees shall be two years. The term of office for citizen representatives and those appointed as non-voting or Ex-Officio members shall be the term of Council, unless otherwise specified. Where beneficial, any term may be renewed as approved by Council, to provide continuity of knowledge and experience.
- g. Following Council's approval of the Nominating Committee's recommended appointments to committees a Chair will be appointed to the Planning Advisory Committee, Dangerous and Unightly Premises Committee; Flood Advisory Committee; and, Livestock Control Appeals Committee. Nomination and voting process will be as follows:
- i. A candidate may be nominated by any other Council Member, including a Council Member who is a nominator or seconder of a previously nominated candidate, or who is a previously nominated candidate.
 - ii. The Chair shall ask if there is a seconder for the nomination. Any Council Member except the nominator and the candidate may second the nomination. Failure to obtain a seconder shall result in the nominee's name not being included in the list of candidates to be voted upon.
 - iii. Each nominee shall be asked if he or she consents to being nominated. If the nominee declines to give unconditional consent, the nominee's name shall not be included in the list of candidates to be voted upon.
 - iv. The Chair shall repeatedly call for additional nominations until, after calling three successive times without a successful nomination, the Chair shall announce that nominations are closed.
 - v. When there is only one candidate, the Chair shall call for a motion to elect the Committee Chair, and the candidate shall be elected if the motion passes by majority vote.
 - vi. When there is more than one candidate to be voted upon, the CAO or designate shall prepare ballots with each candidate's name and shall distribute the ballots, one to each Council Member. Before the voting occurs, Council may by resolution appoint the Municipal Solicitor or designate as scrutineer to verify the vote and to assist the CAO or designate in connection with the vote.
 - vii. The Council Members shall vote by placing a mark beside the candidate of their choice and folding the ballot. A candidate may vote for oneself.

- viii. The ballots shall be collected and counted in a manner that preserves the confidentiality of each Council Member's ballot. The CAO or designate shall only declare a ballot to be spoiled if the ballot does not disclose a clear preference in favour of any one candidate.
- ix. If, after any vote, the CAO or designate determines that a majority has voted for any one candidate, that candidate shall be elected, and Council may pass a motion authorizing the CAO or designate to destroy the ballots.
- x. If, after any vote, a majority has not voted for any one candidate, new ballots shall be prepared but the name of the candidate with the fewest number of votes from the previous vote shall be excluded on the new ballots. Voting shall continue in the same manner until a Committee Chair is declared elected by the CAO or designate.
- xi. In the event of a tie or deadlock, the Chair shall fairly use the following methods firstly, to have the voting progress towards reducing the number of candidates to two, and secondly to elect a Committee Chair by a majority:
 - If, with no candidate elected by majority, there is more than one candidate in a tie with the fewest votes, all such candidates in the tie shall be excluded from the new ballot unless their exclusion would result in one candidate remaining upon the ballot. The Chair shall ask if any candidate is prepared to withdraw his or her name from the next ballot.
 - Where three or more candidates remain, and one candidate had more votes than the others, a run-off ballot may be carried out amongst the others to see which candidate should progress to a final vote.
 - If the run-off ballot results in a tie the same process for the final vote (as noted below) will be used to see which candidate should progress to a final vote, unless one of the candidates offers to withdraw.
 - If the final vote results in yet another tie one revote will be conducted.
 - If a tie remains, the Chair may call for individual motions to elect as Committee Chair one of the candidates, to determine whether a

majority can be obtained in this fashion for any candidate, calling for such motions in a logical sequence beginning with candidates who attracted the greatest support on previous balloting, and otherwise using alphabetical order to determine the sequence in which the motions will be called for.

- After every reasonable effort by the Chair to find a candidate with majority support, the deadlock shall be broken by having the CAO or designate place the names of the candidates on equal size pieces of paper in a box and having one name being drawn by a person chosen by the CAO or designate.

21. It shall be the duty of all committees to report on matters referred to them by the Council. The report shall be either the minutes of the committee or a written report, as per Section 9 of this policy.
