Presentations

FORCE Environmental Effects Monitoring Program Presenter: Sandra Currie

Ms. Currie, Facilities Manager for Fundy Ocean Research Center for Energy (FORCE), appeared before Council to present information on FORCE's Environmental Effects Monitoring Program.

Included in the presentation was an overview of FORCE and its roles; the area in which FORCE operates; an explanation of their stewardship role collecting baseline data on lobster, fish, seabirds, marine mammals and marine sound; information on the Fundy Advanced Sensor Technology (FAST) Program; and adaptive management techniques used by FORCE.

Throughout the presentation, Council inquired about topics such as the removal of the turbine currently on site, the noise generated from turbines, and if there were any other sites in the world similar to the FORCE site.

Moved by Mayor Blair
Seconded by Councillor Masters
