MUNICIPAL BUILDING CLOSURES & SERVICE CHANGES

All Municipality of Colchester buildings are closed to the public until further notice to protect against the spread of COVID-19.

All recreational programming is cancelled until further notice.

Municipal essential services will continue during building closures. These include solid waste collection, sewer and water maintenance, snow removal, critical road repairs, building inspection, and bill processing.

The application deadline for the Low-Income Municipal Tax Assistance Program has been extended to 29 May 2020.

For the latest information about Municipal services please visit our website at www.colchester.ca or call **902-897-3160**.

The Municipality is closely following advice from the Province of Nova Scotia as it is continually updated on their COVID-19 website: www.novascotia.ca/coronavirus. Please visit this website for reliable health and safety information.
