

# Civic Signs

The County of Colchester now issues blue civic signs with each building permit for all new buildings in the County. The charge for these civic address signs is built into the building permit fee.

<b>Civic Sign</b>	<b>\$25</b>
<b>Optional Metal Stake</b>	<b>\$20</b>

This is keeping in line with the Civic Addressing By-Law, which requires all building owners to have a blue civic sign posted at the end of their driveway or in a visible place on the building.
