

TENDER FOR SEWER SYSTEM IMPROVEMENTS DEBERT, N.S.

Tenders will be received by the Municipality of Colchester's Public Works Office, Truro, N.S., for the construction of sewer system improvements in Debert, Nova Scotia. The work consists of the supply and installation of four sewage pumping stations, approximately 2,300m of pressure sewer, 1,850m of gravity sewer, 28 manholes, and associated materials and equipment. Tenders for the **"Debert Sewer System Improvements, Project 2205-1480"** are to be submitted by email and will be received until 3:00 pm (local time), Thursday, July 28, 2022.

The Tender Documents can be requested by phone at 902-897-3175 or by email to Crystal Deuville at cdeuville@colchester.ca. **Please note there is no document fee for this tender.** Tenders will only be accepted from tenderers who have obtained a set of tender documents from the Municipality. All tenders must be accompanied by bid security as outlined in the Tender Documents. The Owner reserves the right to reject all tenders or any tender; not necessarily accept the lowest tender; waive any irregularities, formalities, informalities or technicalities; and to accept or reject any offer whatsoever as considered by the owner to be in its best interest.

Michelle Boudreau, P.Eng.
Director of Public Works
Municipality of Colchester
