

REQUEST FOR PROPOSALS
ENGINEERING DESIGN-BUILD SERVICES
FUNDY DISCOVERY SITE BRIDGE CONSTRUCTION

ADDENDUM #2

April 28, 2025

1. The Closing Date of the Request for Proposals has been changed from 3:00PM on Monday May 5th, 2025, to 3:00PM on Tuesday May 20th, 2025.
2. The following question was received and answered:

Question: Has a site specific ice study been completed to determine the ice loads on the piers? CSA S6 (the bridge code) notes that an ice study is required for salt water environments. Can the Municipality advise what ice loads were considered by COWI for the conceptual design?

Answer: No site-specific ice study was completed during the concept design phase. The Design-Build Contractor is responsible for all aspects of the design, including conducting any site-specific investigations or studies they may deem necessary or beneficial.
